by Nightcrawler247

Summary

Will divorced Hannibal years ago with no reason given.

The is the start of the show with Will refusing to give their past history to Jack but also not wanting Hannibal as his therapist.

Hannibal just wants his husband back.

Or

Will divorced Hannibal suddenly because he figured out he was a murder. He couldn't bring himself to turn the man in but he also refused to stay by his side. No need for Hannibal to know HE knows.

Notes

See the end of the work for more notes

When Will agreed to help the FBI with their recent cases involving cannibalism he never thought they would think to profile him.

He certainly didn't think they would have the *nerve* to higher his ex husband as his psych evaluator.
